### Note for the teacher

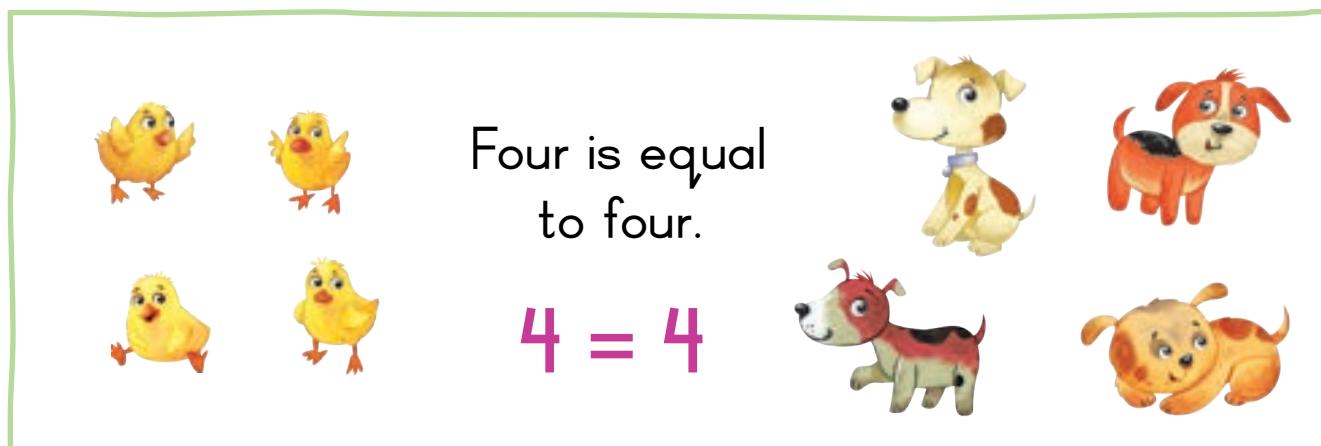

Ask the learners to say aloud while comparing the numbers.  
For example, 11 is less than 22.

# Equal to

Look at the pictures in each set. Now count and write the numbers. What did you find?

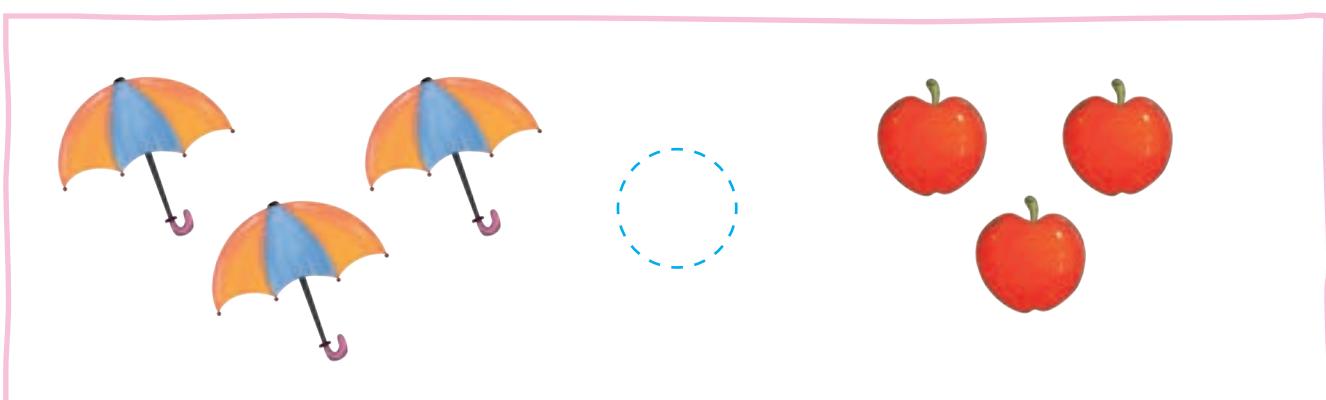

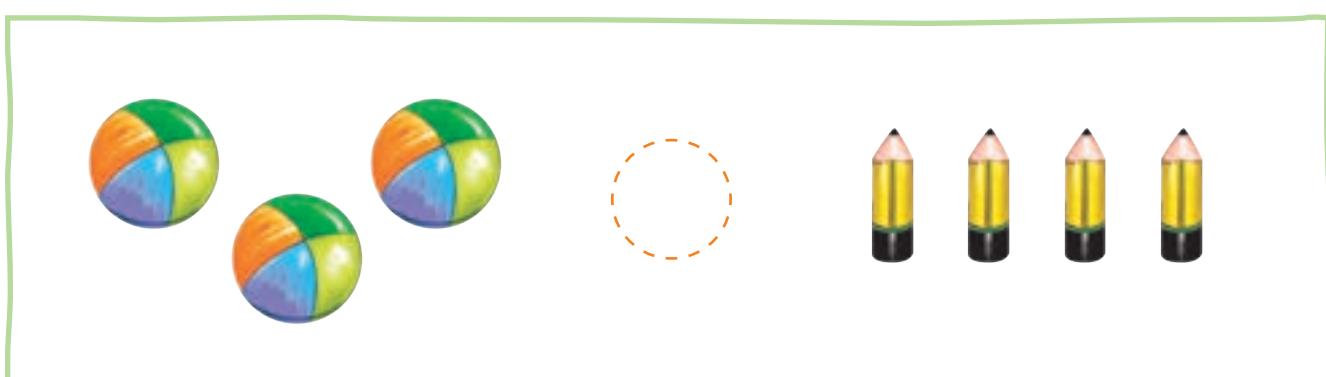

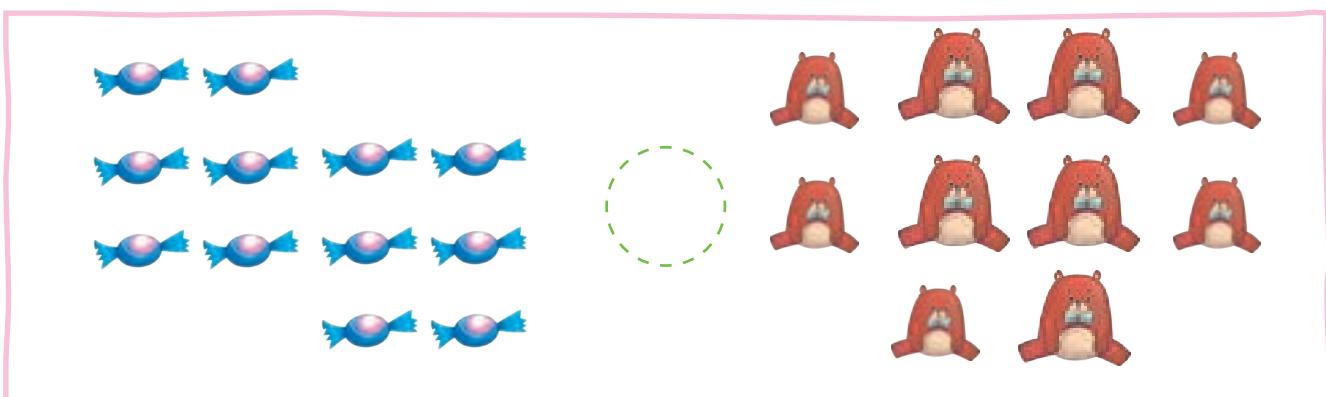

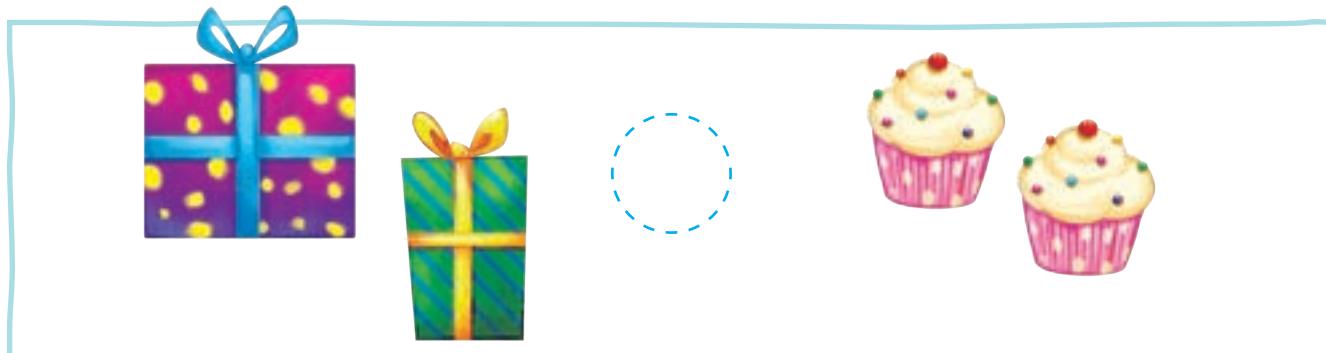

When two numbers are the same, we say that they are equal.  
The sign = means 'equal to'.

Now try this!

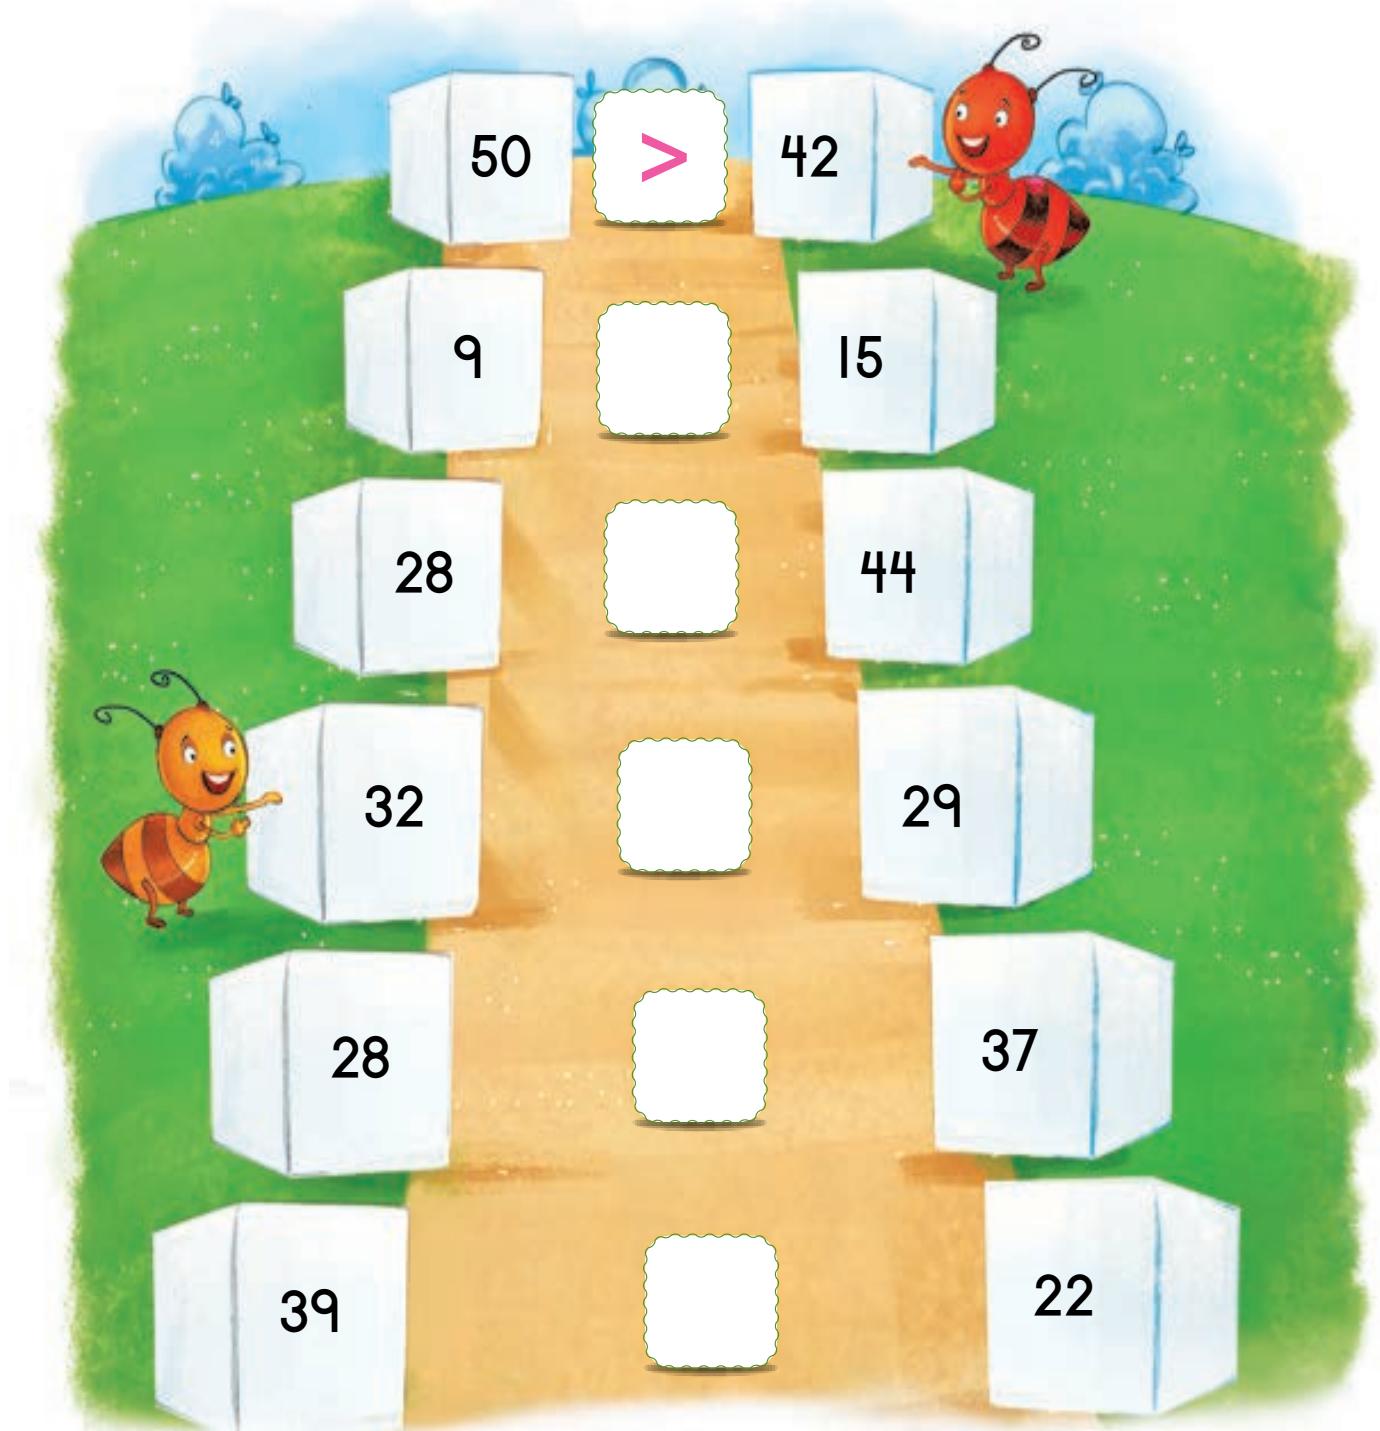

Count the pictures in each set.  
Put >, < or = in the circles.

## Sweet sugar!

These ants are collecting sugar cubes. Every day they write down the number of sugar cubes collected by them.

**Put  $>$ ,  $<$  or  $=$  to show who has more cubes.**

**Fun with  
numbers**

## You got served

Maya and Rubina are playing tennis.

Find and write the name of the winner in each round.  
Then write who wins the game.

### Scoreboard

	Round 1	Round 2	Round 3	Round 4	Round 5
--	---------	---------	---------	---------	---------

Maya	36	40	33	29	37
------	----	----	----	----	----

Rubina	45	20	28	38	17
--------	----	----	----	----	----

Winner → Rubina

Final Winner →

## Numbers around us

Numbers are all around us.

Find the numbers and circle them.

Now try this!

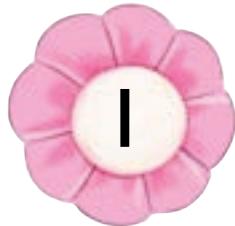

## Kites in the sky

Look at these children. Help them find their kites. Draw lines to match the number names with their numbers.
